RGB HOSTED A JOYFUL DEEPAVALI 2019 CELEBRATION DINNER FOR THE UNDERPRIVILEGED CHILDREN FROM PUSAT JAGAAN SINAR CERIA (PJSC)

On 9th October 2019, a representative from CSR department, Ms Chuah Tong Yi, was pleased to organize a mini buffet dinner, aimed to reach out to the underprivileged children from Pusat Jagaan Sinar Ceria in conjunction with Deepavali festive occasion.

The event was held at Travelodge Hotel, 101 Macalister Road, Penang, which brought sparkles of laughter among the attendees, especially the lovely children of PJSC. The event saw about 30 participants. The event was indeed a way for all of us to come together as a multi-ethnic community to celebrate Diwali with the underserved children.

The event kicked off with a welcome speech by Ms Chuah Tong Yi. The children from PJSC were treated to a sumptuous Indian buffet dinner before returning to their center. During the event, RGB employees had rendered a helping hand by serving the children food. Sixteen children from the center received goodies bags and token from Ms Chuah Tong Yi which definitely brought cheers to the lovely children. These goodies bags and money packets were compliments from the management of RGB International Berhad. Special thanks to my fellow colleagues who have helped out on that day for making this event a possible one.
