Penang Adventist Hospital (PAH) - Charity Coin Mosaic Event

RGB Cares: Giving Back to the Community!

As part of our RGB Cares CSR Programme, RGB had work together with Penang Adventist Hospital (PAH) to raise funds for their "Cancer Fund" programme.

A mock cheque was presented to PAH on 19 May 2019 in Gurney Paragon by our representative, Miss Chuah Tong Yi from CSR Department. We hope, PAH would be able to help more needy cancer patients to undergo medical treatment.

More than 195,000 pieces of 50 cents coins were pieced together for this Charity Giant Teddy Coin Mosaic in aid of cancer fund.
